WELCOME to Lakeshore

A Wonderful Area to Live, Work, and Raise Your Children

On behalf of the Lakeshore Excellence Foundation (LEF), welcome to the Lakeshore Public Schools community! This is a wonderful area to live, work, raise your children, and an EXCELLENT place for education.

WHAT is LEF?

We are an all-volunteer non-profit 501(c)(3) established in 1997 to work independently, yet collaboratively, with Lakeshore Public Schools and the Board of Education. Our mission is to "acquire and distribute resources in support of Lakeshore Public Schools for programs and projects aimed at enriching or supplementing learning opportunities for students, staff, and community."

Over 90% of our income goes directly into funding projects and grants impacting students throughout the district.

LEF Programs

- Foundation Project Grants- providing up to $75,000 annually for large-scale projects at all educational levels.
- Lakeshore Innovation Grants- providing up to $30,000 annually to fulfill grant requests from Lakeshore staff.
- Staff Professional Development Grants- providing $10,000 to assist Lakeshore teachers attending regional, national and international continuing education programs.
- Stepping Stones for Students Grants- providing $10,000 to assist Lakeshore students pursuing their interests by attending music camps, foreign language classes, athletic camps, theatre programs, and much more.
- 21st Century Learning Centers- a 3-year, $600,000 project, to fund the transformation of the libraries/ media centers in all five school buildings.

Why is LEF Important?

The state funding for public schools in Michigan continues to be a challenge and Lakeshore is in the bottom 8% in funding. 92% of Michigan public school districts receive more state funding on a revenue per student basis. Our needs are greater than ever before.

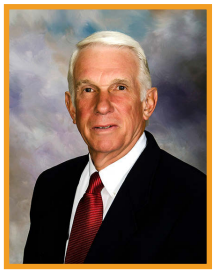
Reflecting on the Past Three Years



J.C. Anderson
LEF Chairman

In September 2012, I took on the role as Chairperson of the Lakeshore Excellence Foundation (LEF.) As I start my next three-year term, this is a good time to look back at what we've accomplished and what we plan to do in the future for the kids, teachers, and the community.

FUNDRAISING

During a Board meeting in early 2013, we challenged ourselves to step up the fund development process. We had plateaued at +/- $215,000, and yet the list of needs of the school system continued to increase. We established a focused 3-year commitment campaign, which has resulted in an annual contribution to the Lakeshore Public Schools of approximately $350,000 to $375,000. Bottom line...we are having a greater impact on the quality of education received by our students. We can take on the big projects and have funding for the individual and team needs of teachers and students by increasing the amount of grants that we issue.

PROJECTS

With the longer-term commitments that we've received, we can better plan funding, and we are challenging ourselves to take on larger projects that have an even greater impact for our schools. The first of these is the $600,000 transformation over three years of our five school libraries into ***21st Century Learning Centers***. The scope of this project includes revised floor plans, furniture, and technology to prepare our students for post-secondary education or employment after high school graduation.

COMMUNITY

I continue to be very impressed by the openness and reception by many individuals and businesses within the community to listen to our LEF mission and funding needs. Many have decided to become Lancer Leaders with a contribution of $1000 or greater annually for three years. The list of ***Lancer Leaders*** has grown to 68 in the last three years.

I also want to thank the community for your support of our April fundraiser when we hosted ***Navy SEAL Robert O'Neill*** at the Mendel Center. Mr. O'Neill has an inspiring story to tell of perseverance, and not giving up, that was very well received by the nearly 1,000 supporters who attended. This has been LEF's largest single fundraiser with net proceeds of $96,000, a welcome boost to fund the $600,000 21st Century Learning Center Project. Thank you!

RELATIONSHIPS

While the LEF exists as an independent organization, I am impressed by the great working relationship that has developed with Superintendent Phil Freeman and Board of Education President Mark Whitwam. Collectively, we identified the 21st Century Learning Centers as the top unfunded project that existed...and the LEF took action!!

LEF BOARD MEMBERS

While the constant turnover of Board members on a volunteer board can be challenging, I am impressed by the dedication and commitment that exists with our 23-member board. They volunteer because they have a passion for kids and their education and not for pay or recognition.

Lori Doggett--after serving 10 years and doing almost every task, Lori's term has come to an end. She joins Dave Brockway as a LEF Board member that has become a legend. Lori, thanks for your unbelievable service to the LEF.

The past three years have been challenging and rewarding. Speaking for the entire Board, we look forward to making the next three years even better with your support and trust in us to do the right things for our Lakeshore schools!! If you have any questions and/or comments regarding LEF, I would enjoy discussing them with you. I can be reached at (269) 921-2513 or anderjcna@gmail.com.

Sincerely, J.C. Anderson

THANK YOU 2015 LEF GOLF SPONSORS!

The Annual Lakeshore Scramble was held on June 22, 2015 *(photo by: Capture Studios)*

The Annual Lakeshore Scramble was held on June 22, 2015. Thanks to the Harbor Shore's team for hosting our event, and for their flexibility of adjusted playing times due to the stormy weather mid-round. For those claiming that the storm break added strokes to their overall score...*well, you can go with that story.*

The outing brought in 27 teams and raised more than $20,000 this year. Special thanks to the LEF volunteers who assisted with check-in, raffles, and on course games. We appreciate the generosity of our sponsors and players.

J.C. Anderson Receives Volunteer Leadership Award

J.C. Anderson named the 33rd winner of the annual Margaret B. Upton Volunteer Leadership Award. (photo: moodyonthemarket.com)

The success of any not-for-profit can be attributed to many things; however, one of the key ingredients is a great leader who is passionate for the mission.

The Lakeshore Excellence Foundation is fortunate to have such a great leader, J.C. Anderson, as our Chairman.

J.C. Anderson was recently named the 33rd winner of the annual Margaret B. Upton Volunteer Leadership Award. J.C. has a long track record of community service in the volunteer ranks. Anderson was nominated for the honor by the Lakeshore Excellence Foundation. He has also served on several other boards including the Southwest Michigan Economic Club, the Senior PGA Championship Executive Committee, Well of Grace Ministries, First Church of God, and Rotary International. His award is for his years of service to not only the Lakeshore Excellence Foundation, but also the YMCA, Young Life of Southwest MIchigan, the Benton Harbor Area Schools and United Way of Southwest Michigan.

As this year's award winner, Anderson will receive $3,000 from the Frederick S. Upton Foundation to donate to the non-profit organization of his choice. The Lakeshore Excellence Foundation is grateful to be receiving this donation.

The LEF Board of Trustees congratulates our Chairman, J.C. Anderson

Robert O'Neill

Navy SEAL Robert O'Neill

April 9, 2015, the day when U.S. Navy SEAL Rob O'Neill came to town, will always stand out as a memorable day for LEF and the greater community.

His evening presentation at the Mendel Center enthralled the audience of 1,000 who came away with a better understanding of what it takes to be a leader in the most stressful of environments and NEVER QUIT.

Rob O'Neill was an incredibly engaging speaker. The stories he shared revealed the importance of critical decision-making and gave everyone, young and old, a much deeper appreciation for the sacrifices of our servicemen and women. Along with hearing from a national hero, the audience was treated to performances by the Lakeshore Jazz Band and Lakeshore Chorale.

LEF was pleased with the outstanding turnout of interested community members, current and former military groups, students from area schools, civic organizations, and history buffs. It was an event not to be missed! This was the comment heard over and over by LEF board members afterwards.

In addition to accomplishing nearly full house attendance, the LEF achieved its biggest fundraising success ever and brought in $96,000 net! Such a large amount was due not only to sales of general tickets, but also major sponsor support, program ads, a private lunch and Q&A at The Boulevard Inn, and a pre-event reception for Lancer Leaders and guests.

The only regret of the day was the cancellation of a special visit with Whirlpool's Veteran's Network and Lest We Forget due to unfortunate stormy weather travel delays. These veterans were provided complimentary tickets to the evening event.

All proceeds from the Navy SEAL event have been dedicated to the ongoing $600,000 school library transformation project. LEF is funding the reinvention of all five Lakeshore school libraries/media centers into 21st Century Learning Centers.

Art Around Town

Judges were local artists Amy Schaller and Mimi Edgerton.

The artwork will be on display at Curious Kids Museum from August 10th through Labor Day.

The reception for the artists and their families, as well as any business who wishes to lease artwork, will be on Wednesday, September 2 from 6-7:30 P.M. at Curious Kids Museum. Judges were local artists Amy Schaller and Mimi Edgerton.

FAREWELL Doggett & Welch

This month LEF bids a fond farewell to longtime Executive Committee members, Lori Doggett and John Welch.

Lori Doggett joined the board in 2005 and became Vice Chair of Projects in 2008. In addition to overseeing all projects and grant programs, she played a critical role in the success of the LEF annual golf outings, the pulled pork tailgate dinners held jointly with Lakeshore Rotary, and the Assets Advisory Committee comprised of high school students.

Her leadership and exceptional attention to detail shined in every major LEF event held over the past 10 years. Lori also created the Staff Professional Development Grants introduced in 2012.

Lori shouldered so many responsibilities with unwavering dedication that her role had to split into two positions before LEF agreed she could leave!

Lori Doggett working with students on a holiday project.

John Welch busy volunteering for the LEF.

Lori Marciniak is now Vice Chair of Projects and Kim McAllister is Vice Chair of Grants.

John Welch began serving as LEF Treasurer in 2009.

During those years, he aptly handled the growth of the budget from a starting point of just under $52,000 to a record-breaking $350,000 last year.

John's income reports were the highlight of every board meeting! He took the lead on managing all of the foundation funds and instituted insurance coverage for the board. John also served on the Fund Development Committee and cheerfully participated in all fundraising events, including the Lakeshore Scramble.

Sharon Austin has been transitioning with John for several months and will become our new Treasurer.

In their vital volunteer roles with LEF, both Lori and John demonstrated great passion for helping Lakeshore students and staff REACH HIGHER!

The board thanks them for their many years and many hours dedicated to making our school district and community better and stronger.

TRANSFORMATION
21st Century Learning Centers

In June 2014, LEF announced a $600,000 school library transformation project. The five Lakeshore Public School Library/Media Centers will be reinvented into *21st Century Learning Centers.*

LEF worked with School Administration and the Board of Education to ensure that this project is a critical and necessary element for the enhanced education of Lakeshore students.

Three major components of the project:

1. Redefining available space
2. Purchasing of updated technologies for access, production, and presentation
3. Furniture that provides flexible options within defined spaces

Distinguished Alumni

Michael Gathright

The Lakeshore Excellence Foundation along with the Lakeshore High School Alumni Association would like to congratulate Michael Gathright, Class of 1985, as the 2015 Distinguished Alumnus. Mike was honored at this year's high school graduation ceremony in May. He received his B.A. from Calvin College in 1989 and his Masters of Education from UCLA in 1990. He was a Center X, Teacher Trainer, at UCLA from 1993-1997 before returning home to teach at Lakeshore High School where he is currently employed. Mike is a Young Life leader, a Lead Teacher at Storyline Church, and has held many basketball coaching positions. We are very proud to have him here at Lakeshore Public Schools!
